SEATING CONCEPTS

## The Jubilation

Over the past 80 years, Seating Concepts, LLC has striven to answer the call of our customers with new and innovative products. The Jubilation is one more offering in our extensive line of seating specifically designed for the Worship market.

- Traditional pew style seating with modern convenience
  - Minimal space between seats
  - Continual seating if desired
- Retractable seat
- 100% automatic seat return
  - As little as 16" of envelope from the rear of the back to the front of the seat in the tipped up position. This allows passage areas between rows which are 5" greater than most theater seats and 8" greater than conventional pews
  - Less back to back spacing required
  - Up to a 20% increase in seating capacity
  - 65% more exit space between rows
- Upholstered seats have zippered covers for easy replacement
- Fire codes allow increased row lengths over conventional pews
- Extended support beam with reduced footing for easier maintenance
  - More room for cleaning equipment
- Several styles/options to choose from
  - Fully upholstered back and seat
  - Laminated back and seat
  - Veneer back and seat
- Distinctive aisle standards with unique arm rests
- Ornamental wood cap on top provide a finished look
- Several wood species and stains to choose from
- Additional accessories
  - Book/Envelope holders
  - Number and letter plates
